EPIC: A Journey from Darkness to Light

Visual artist Gustavo Fernandez celebrated the opening night of his new show, EPIC: A Journey from Darkness to Light, at MI Art Space in Wynwood. His work for this exhibit is bursting with color, horses, trees of life, sculptures and abstract colorism, creating a visual experience beyond color.

GUSTAVO FERNANDEZ

Gustavo Fernandez prowessly blends a fine chromatic use with the application of relief and textures. This offers the viewer an attractive, positive and sometimes tri-dimensional visual experience—a visual experience full of images, messages and symbols that go beyond color.
